

# Meet your *Fishing Destiny ...*

Whether you are looking for a Monster Channel Catfish or a Master Angler Walleye, City Cats will provide you with a fishing adventure you will remember for a lifetime.

City Cats has over 15 years of fishing experience and has received numerous awards for our professional service and landing big fish one after another.

Bait, tackle, equipment, and fun is all included in your trip. All you need to do is bring yourself to the waters edge, and City Cats will take care of the rest.

Live the  
Adventure ...

Are you ready for an adventure? Your trip will be action packed and the stories will be legendary. Whether it is on the open water or fishing through the ice, "We Guarantee Big Fish" and memories are yours to take home.

Ice Fishing Packages  
and Corporate Tours ...

City Cats offer incredible ice fishing trips on the Red River and Lake Winnipeg. Walleye and sauger, along with other species of fish, will provide an exciting winter experience.

Heated Eskimo ice fishing shelters, power augers, and top of the line equipment will make your trip something to remember.

Call us today to arrange your Corporate tour
